OFFICE OF PETITIONS

Dear Sir:

As the Examiner will be aware the previous attorney of record, Oppenheimer Wolff & Donnelly, has been withdrawn. The Applicant will now be prosecuting the application and accordingly a new Power of Attorney or Authorization of Agent form is attached.

From the file returned from Oppenheimer Wolff & Donnelly, the Applicant notes that an incorrect Declaration was filed on its behalf.

The present application is a Divisional application of 09/807,297 and therefore its priority date is the same as that of the parent application, that is, October 16, 1998. A Supplemental Declaration is attached to correct this error.

Also from the file returned from Oppenheimer Wolff & Donnelly, the Applicant notes that a Preliminary Amendment was filed adding claims 130 to 137. The Preliminary Amendment relates to the parent application, 09/807,297 and should not have been filed on the present application.

The Applicant respectfully requests that claims 130 to 137 be cancelled.

It is also noted that a further Preliminary Amendment was filed adding new claims 175 to 191. Claims 175 to 191 are incorrectly numbered and should be re-numbered as claims 138 to 154. Also the dependency claim in each of the claims needs to be re-numbered.

The Applicant apologises for any difficulties caused by these filing mistakes.

Very respectfully,

Applicant:
